Applicant notes that the Selling Guide and the Servicing Guide have sections which are individually dated and that some of these sections are dated after the filing date of the present application. While Applicant reserves the right to show during later prosecution or at another later date that specific portions of these documents are not available as prior art, the Examiner should presently assume that the entire content of these documents is available as prior art as of the filing date of the present application, the dates shown in the documents notwithstanding. Applicant also notes that 2002 versions of these documents are also available. If the Examiner believes the earlier versions of these documents may be helpful, the Examiner is invited to contact the undersigned at the telephone number appearing below, and Applicant will submit the earlier versions in a supplemental Information Disclosure Statement.
